

Join us for our 18th Annual

Providing the residents with as many opportunities to pursue activities that were an every day part of their lives is something we strive for here at Sherwood Care. With that in mind, we wish to have an outdoor cook station, and greenhouse built in the courtyard, that will be accessible to all our residents. Whether it's to reminisce years of cooking gone by, or to enjoy the pleasure of flowers, the addition of this project is sure to be a delight.

And so this year, we ask you to graciously help us surpass our record of \$10,000 in order to fund these worthy project!

Following the walk everyone is invited to stay for a BBQ, refreshments and musical entertainment.

We need YOU to:

- push a resident on the path around the lake
- sponsor a resident, or
- find people who are willing to sponsor a resident. (eg. family, friends, local businesses)

Register for the walk, fill up the sponsorship sheet and return it to the Recreation office by

June 21!

2017 Annual Walk-a- thon

**Sunday, June
25**

2:00 - 4:00 pm
